Dear moral supporter,

This is the last leg of my trip, nor is it the worst. I had forgotten how “Greek” Sicily can be. Tuesday back in Rome, Thursday flight to N.Y. and meeting with “Laura” (Hurricane or Mrs. Gable<sup>2</sup>), while you are preparing feverishly your classes on your first weekend. I do hope all is right with you. Do write your phone-number or call me collect Friday or Saturday.

Love  
EKa [Signed]
