

[EHKantorowicz to REGiesey, postcard¹]

Palermo
9/25/55

Dear moral supporter,

This is the last leg of my trip, nor is it the worst. I had forgotten how “Greek” Sicily can be. Tuesday back in Rome, Thursday flight to N.Y. and meeting with “Laura” (Hurricane or Mrs. Gable²), while you are preparing feverishly your classes on your first weekend. I do hope all is right with you. Do write your phone-number or call me collect Friday or Saturday.

Love
EKa [Signed]

¹ Obverse an aerial “PANORAMA DINTORNI DEL TEMPIO DI SEGESTA”.

² His housekeeper.
