

[EHKantorowicz to REGiesey]

and thanks for your letter. Library was closed yesterday (Dec.32) and am leaving on Jan. 3 for Virgin Islands. Hence, I shall not be able to see photographer before my departure. Send a reminder around Jan. 20 lest I forget—I forget everything. I am doing all right I am creeping again into the wine amphora, therefore sleep much better and put up some weight again. In a few months I shall be my old self.

Love  
Eka.
