Dear Undertaker,

Here is a note from Pan [ofsky] calling attention to a B.M. funerary MS, which perhaps you know, or may want to know.

I forgot to tell you the other day that the Decalogue Soaps arrived and were a great success. In the box for [Arthur] Salz there were, by some well-fitting mistake, two cakes of "Adultery" and Harold would love to have a whole carton with nothing but "Adultery" cakes for his guest bathroom. Actually I myself would like to have a carton, if that is not too troublesome for you to order.

Love

EKa. [Signed]
