Dear Mighty-Mo Don,

A copy of the funerals, beautifully bound in scarlet leather by an artist, arrived here as a Christmas gift. Thank you very much—the copy will be used with far greater care and pleasure than the one destined for the “mob”.

I heard about your acceptance of Mo’s offer.<sup>1</sup> Probably you are correct, although the Faculty at Minnesota was not really nasty to you.

I am about to be off. Hence only that brief note. But I enjoyed our evening.

Love

EKa. [Signed]

<sup>1</sup> The offer by the University of Missouri was matched by Minnesota, where I stayed.
